Changing the Password for Parent Canvas Accounts

Currently, all **parent usernames for Canvas** is the **email** registered with the school, the passwords for Canvas is "**parent2014".** If you would prefer your own password, please follow the directions below:

1. Parents would go to the Canvas login Page and select Don't Know Your Password

2. Parents would select the "Parent" radio button

3.   Parents must use the e-mail address they registered their student with in Power School. At this time, <u>Canvas only recognizes the primary parent or parent in the first position under contacts</u>. Use of an e-mail address other than the one provided at registration will not work. Parents would need to update their e-mail address with the registrar.
